Examiner's Amendment and
Examiner's Statement of Reasons for Allowance
Allowance (12/20/07)

1. An Examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The claims were further amended to read as follows:

Cancel claims 1-2, 11-12, and 20-24.

2. The following is an Examiner's statement of reasons for allowance:

The primary reason for the allowance of the claims in this case, is the inclusion of the limitation "a retractable roof adapted for closing said upper opening, the roof comprising at least two rigid parts free to move with respect to said structure, said at least two rigid parts comprising a first front part and a second rear part, - first displacement means to which said first and second parts of the roof are connected at least during part of a movement thereof between an extended position, reached by forward displacement, in which said first and second parts are substantially in line one behind the other and cover the passenger compartment, and a folded position reached by a displacement towards the rear of the vehicle in which the first and second parts are offset from each other and are retracted behind the seats, at least one of said at least two rigid parts then being arranged in a first storage position, second displacement elements with which is engaged at least said rigid roof part arranged in the first storage position, for a possible displacement thereof towards a second storage position different from the first position, wherein the second roof part comprises a rear roof element including a rear window which extends transverse the longitudinal axis of the vehicle, said rear roof element being free to move with respect to the vehicle structure, and the first front part of the roof being arranged in front of said rear roof element when the roof is closed" in the independent claim, in combination with the other recited limitations in claims supported by this application, which are not found in the prior art of record.
